Conditions of use

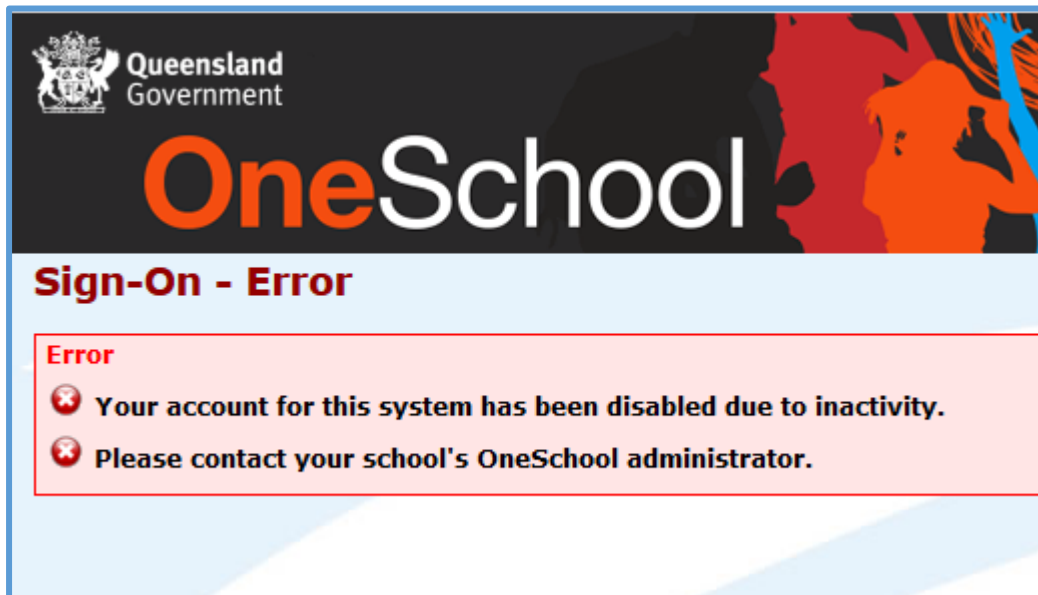

The Department of Education network (the network) is provided only to authorised users and only for official schooling and work purposes.

Your use of the network (including internet and email) is logged, may be monitored, and where potentially unlawful conduct is detected, referred to law enforcement agencies.

Students - please refer to the Student Code of Conduct for your obligations and the consequences of non-compliance, or ask your teacher for more information.

Staff - you must comply with the Code of Conduct, Standard of Practice and department policies and procedures. You must not access systems or use information if you are not authorised to do so. You must not access records for personal interest. Unauthorised access and misuse of information may result in you being charged with an offence, e.g. under section 408E of the Criminal Code (Qld), and disciplinary and professional consequences (such as loss of employment and cancellation of registration).

Once you have logged in, if you see the below message contact either your teacher or the school and your account can be re-enabled.

Once successfully logged in, you will see this page. Please select Student Timetable from the drop-down menu.

This will open another tab with your timetable displayed. You can save or print your timetable from here.

Make sure to re-download your timetable at the beginning of each term, as subjects, teachers and times may change.
